

SMOKIN' HOT BBQ BACK RIBS

Single Order 11.95 All-you-can-eat 16.95

Hickory smoked back ribs, so tender that they are falling off the bone, then glazed in your choice of our from scratch spicy sauces. Served with roasted red pepper mashed potatoes, buttermilk coleslaw, and an old fashioned corn muffin.

Hellcat Inferno Sauce: A wonderful dark BBQ glaze of roasted red peppers and chipotle, that is hot for us Minne'soh'tans and medium spicy for the rest of you.

Jamaican Jerk Sauce: Amazing on the ribs, it's a thick, authentically spiced, slightly sweet, and very hot Caribbean favorite.

Black Cat Diablo Sauce: Typically used table side to add heat to the previous two sauces, this is seriously hot and dangerous on its own! Only for the most experienced, this roasted habanera sauce surprises hot sauce fanatics with an unexpected twist; it actually tastes great!!
